Abuja 25th June 2012

NOTIFICATION OF OPEN ACCESS COMMENCEMENT DATE

The West African Gas Pipeline (WAGP) Authority hereby notifies the public that the **Open Access to the WAGP system** is effective from **1st July 2012** as per Clause 3.4 of the Term Sheet executed on 18th October, 2011 by the Parties to the International Project Agreement.

Consequently, all interested shippers will, from that date, be eligible to sell their natural gas via the WAGP system after going through the laid down procedures as set out in the Access Code.

Débo-K'mba A. Barandao
Director General
